ANALYZE THE INDUSTRY

Join us on **April 2nd, 2026** at the Tourism, Hospitality and Event (T.H.E.) analytics case competition. Dive deep into data and emerge with industry-relevant insights

T.H.E. ANALYTICS CASE COMPETITION

BACKGROUND

This competition is designed for T.H.E. enthusiasts and professionals, data analyists and aspiring statisticians. If this description fits you, this is your chance to showcase your skills and compete against fellow enthusiasts. The competition will challenge participants to analyze real-world hotel data and present their findings to a panel of industry experts.

WHAT TO EXPECT

The competition will challenge participants to analyze real-world hotel data and present their findings to a panel of industry experts.

Challenges
Tackle real-world scenarios using datasets and generate relevant insights.

Development
An excellent chance to enhance your knowledge, refine your analytical abilities, and make connections in the industry.

Networking
Network with like-minded individuals, learn from experienced professionals in an engaging environment.
